

## ANTIOXIDANT AND REVITALISING

The formula, based on Vitamins, Amino acids, Minerals and Coenzymes, is a **powerful antioxidant and revitalising solution** that nourishes and gives the skin back its tone, elasticity and shine.

The multi-vitamin complex present in HV Lifting **offers solutions to any aesthetic treatment** of the skin, regardless of the part of the body to be treated, given the fact that significant results can be obtained for body, face of hair treatments.

Magnesium acts by **regenerating the tissues** and is extremely effective on acne thanks to its ability **to clean and detox** the epidermis. Moreover, the combined use of the Hyaluronic Acid and DMAE present in the formula, **hydrate and have a firming effect** on the skin, obtaining excellent results.

In short, the use of **HV Lifting** provides the necessary nutrients for a younger-looking and glowing skin.
