

## ANTIOXIDANT AND REVITALISING

The vitamin, amino acid, mineral and coenzyme complex that offers a powerful solution to revitalise, nourish and produce an anti-ageing effect on the skin.

The anti-ageing and revitalising function provided by Renovation Lift is capable of restoring the skin and giving it back its tone, elasticity and glow. This product can be applied to any type of cosmetic treatment regardless of the part of the body to be treated. For body, facial and hair treatments alike.

The combined use of the Hyaluronic Acid and DMAE present in the formula, hydrate and have a firming effect on the skin, obtaining excellent results, as well as the powerful regeneration action of the multi-vitamin complex.

The ideal product for a young-looking, firm and glowing skin.
